Nursery Overview 2018-2019

Throughout the year, our main topics will be our come and see topics. We also cover topics that are relevant to the time of year. As well as planning many of our activities around the children's interests. Aspects of the seven areas of learning are covered within our topics. For more information on the areas of learning, please see the EYFS page on our website. For phonics teaching we use Letters and Sounds.
