

# English

## Stories with a fantasy setting

During this unit of work children will read a range of stories with different fantasy settings. They will look at the features of stories with fantasy settings and develop their own fantasy settings for a story.

## Non Chronological Reports

We will look at a selection of non chronological reports and gain an understanding of how they are used. We will be identifying the features of non chronological reports and creating our own.

# Come and See

Thanksgiving

Lent

# Topic

The Great Fire of London

In this topic children will gain an understanding of the story of the Great Fire of London. They will explore life in the 17th Century and look at how London has changed and developed since the Great Fire of London.

Year 2  
Spring 2

# Maths

## Shape

During this unit we will be looking at 2D and 3D shape. We will be identifying their properties and using these to compare and sort shapes. We will also be looking at how to find a line of symmetry in a 2D shape.

## Measurement: Time

We will be learning to tell the time to the nearest five minutes and will be able to draw hands on a clock to show this. We will also learn to compare and sequence interval of time.

# Science

## Materials- Shaping up

In this module children are introduced to different ways of changing the shapes of objects made from different materials. They identify materials that can be changed by the actions of squashing, bending, twisting and stretching, and link these actions with the properties of the materials that allow them to be changed.

# Computing

Code-tastic

This unit gives children a practical understanding of how computer programs actually run, how a computer follows a sequence of instructions and what to do when a program goes wrong.

# PE

Our PE days will be Monday and Thursday.

Please make sure that your child has a school PE kits on these days.
