A Journey in love - A developmental programme for children in the primary years

Year 6: God loves me in my changing and development. The wonder of God's love in creating new life.

SATS revision

We will continue to follow a revision programme to get the children ready for SATS.

Children will continue to be given homework when needed to target gaps in their learning usually in the form of targeted revision based on work done in class This will be due in the following day.

There will be a SATs breakfast provided for children during the week of SATs. There will also be a test timetable to follow so you are aware of which tests children are sitting and when.

French

Summer Term 1

Going to the restaurant and café culture

Café culture in the target

language country

Simple caferole plays Ordering in typical target language foods that a 10 or 11 year old might like

Opinions

The dopey waitress / waiter sketch

Useful Information

SATS - Week beginning 08/05/17

SATS booster classes will continue after school in the lead up to SATS. We will be completing tests in the hall week beginning 24th April 2017 to prepare children for their tests. We will send these tests home as they are completed so you are regularly informed of your child's progress. Please spend some time looking through these with your child and return them to school when you are ready. Please come and see me if you are unsure of any aspect of SATS or have any questions.

British Values

This half term we will be looking at British Values and studying the different elements of the subject such as Law and Order and Democracy

Year 6

Summer 1

Miss Heneghan
