

## Maths

### Addition and Subtraction

### Number and Place Value

This term, we will begin by looking at our number bonds to 12. We will be applying this knowledge to a range of different problems in order to reinforce our understanding and gain fluency. We will then be looking and place value to 50. This will include visual representations of numbers to 50, ordering, using more than or less than terminology and solving problems involving place value.

## RE

### Special People

This term, the children will be learning about the roles of the different special people involved during mass. They will be looking at the role of the Priest, Altar Servers, Eucharistic Ministers, Readers and the Lay People and learning that each are important in conducting and celebrating mass.

## English

### Stories with a fantasy setting

### Poetry

During this term, the children will be reading, analysing and discussing stories with a fantasy setting. We will be looking at the fantasy elements of Spongebob Squarepants and Alice in Wonderland and comparing the differences and similarities they have. We will then be writing our own fantasy story about a King or Queen and their magical castle.

Following this, the children will be looking at writing shape poems using alliteration, rhyme and onomatopoeia.

Alongside this the children will have an additional daily RWI lesson where they will learn phonics to support their reading as well as a weekly spelling test.

## Year One

### Spring 1

## Kings and Queens

## Topic

### Kings and Queens

This term, we will be looking at the different Kings and Queens that have reigned in the UK throughout history. We will complete more in depth research on Queen Elizabeth I and Queen Victoria I to compare their lifestyles, achievements, traditions and characteristics. We will also design and make our own crowns.

## Science

### Using Our Senses

We will be conducting investigations using our senses in order to increase our vocabulary and recognise the body parts we have that are related to our senses.

## Computing

### Research on Kings and Queens.

The children will be using google to research and find pictures of past Kings and Queens. They will then use this information to make an e-book.

**PE** will be on a **Wednesday afternoon** and **Friday morning**.
