

Maths

Basic Skills - we will be practising counting and the rapid recall of number facts.

Perimeter

We will be measuring and calculating the perimeter of a rectilinear figure (including squares) in centimetres and metres.

Multiplication and division

We will be learning the multiplication and division facts up to 12x12. We will multiply 3 numbers and use factor pairs for mental calculations. We will use a formal method to multiply 2 and 3 digit numbers by 1 digit.

My Online Life

We will be learning about digital literacy and online safety.

Our PE days are Monday and Friday. Please ensure your child has their PE kit in school including pumps or training shoes.

RE

Other Faiths- Judaism

We are learning to know and understand our family tree and the family of God in scripture.

Gifts

We are learning to know and understand the gift of love and friendship and about Advent and Christmas, the Church's seasons of preparing to receive God's gift of love and friendship in Jesus

RE

Science -States of Matter

We will be learning about the properties of solids, liquids and gases, how states are changed through heating and cooling and the processes of evaporation and condensation.

Music

Our topic is Movement.

English

Varmints by Helen Ward

We will explore the setting and theme and retell the story from the main character's point of view. We will then write an explanation text about growing plants.

Tar Beach by Faith Ringgold

We will explore the theme of freedom. Children will create their own story written as a play script. They will also be writing retellings, book reviews, character descriptions and dialogue.

French

In our topic my local area, your local area we will be asking directions and giving commands..

Geography

We will describe and understand the key aspects of Mountains.

Art

The children will be designing and making their own piece of jewellery.
