

Maths

Shape

The children will be learning to recognise and name 2D and 3D shapes.

Number and Place Value to 50.

The children will be learning to count forwards and backwards from a range of different numbers up to 50. They will be looking at using more or less to compare numbers as well as investigating their tens and ones. In this unit, the children will also begin to count in 2's, 5's and 10's.

Art

Earth Art

Computing

The children will be completing a unit on online safety. We will be looking at different ways the internet is used for communication and why it is important to stay safe online.

PE will be on a **Tuesday afternoon and Wednesday morning.**

The children will be learning football skills on a Tuesday and dance skills on a Wednesday.

RE

Waiting

In this topic, the children will be learning about the season of Advent. They will discuss why we have Advent and why it is an important time of waiting. They will then be going to learn the Christmas story and retell the story through our school nativity.

Year One

Autumn 2

Book bags

Please bring your child's book bag into school every day. Home reading is to be completed at least **three times per week.**

Geography

This term, the children will be investigating the topic 'Our School'.

The children will learn that we are part of the United Kingdom in the continent of Europe. We will be discussing addresses and how they are used as well as looking at and creating maps of our local area.

English

Narrative Writing

Non-Fiction Writing

During English, the children will be reading and discussing the story 'Cave Baby' by Julia Donaldson and Emily Gravett. We will be describing the different characters of the story before retelling the story in our own words.

Following this, the children will be reading and discussing the story 'Naughty Bus' by Jan Oke. The children will be using this text to write their own story about a toy that has been 'naughty'.

In addition to their main English lesson, the children will receive a daily phonics lesson. This will include reading a story of their reading level in small groups.

Science

In science, our topic will be 'Animals'. We will be investigating the structure of different animals and discussing their different classifications. We will also have a visit to Chester zoo.
