Dear Parents/Carers

## Updates and new end of term date

I am writing to update and thank you for your recent support regarding the new measures for those children who are attending school again. Despite this being different from what we are all used to, everybody seems to be adjusting very well so far.

The Years 2, 3 and 4 teachers are attempting to touch base with their classes by telephone this week and I will continue to communicate with all parents via Facebook, School website and text as changes or new information happens before the end of the summer term .

**Please note that St Luke's School will now close to children on Friday 17<sup>th</sup> July, 2020 at 1pm.**

Staff are required to complete INSET days on the other days and have time to put appropriate provision in place for a whole school September return for all pupils. This is currently planned to be for **Wednesday 2nd September** .

As I'm sure you will appreciate, guidance around schools and managing Covid 19 risk is changing frequently. I will continue to update you as and when information is available.

Many thanks

Mr Crist
