All items of clothing should be marked with your child's name. Whilst this will not prevent loss, it can help when enquiries are being made about missing items. Parents should check that their own Household Insurance Policy (Contents) covers all items of personal property whilst in school. Neither the school nor the Local Authority has insurance which will cover your child's property in the event of its being lost or stolen; nor does the school have any unofficial funds which can be used to cover any loss that may occur.
