

We follow in the footsteps of Jesus as we live, love and learn together.

Our school is Christ-centred, bringing the Gospel to life through prayer, word and example.

We develop, maintain and strengthen relationships between the school, church and home community in the spirit of love, peace and justice.

We nurture and inspire the uniqueness of every child so that each one can learn and grow in order to reach their full potential.

- *In 2018 we reviewed our school Mission Statement. As pupils, staff, parents and governors, we reflected upon the values which are important to us today.*
- *We then developed three aims, - one Christ Centred - one community centred - one education centred.*
- *Underneath each of these, on the pages below, we have listed the ways in which we are trying to live out each aim.*

CHRIST AIM

Our school is Christ centred, bringing the Gospel to life through prayer, word and example.
