

## Maths

### Statistics

Children will solve comparison, sum and difference problems using information presented in a line graph. They will complete, read and interpret information in tables including timetables and two-way tables.

### Multiplication and Division

Children will multiply and divide by 10, 100 and 1000. They will use their knowledge of times tables to find multiples, factors, prime, cubed and squared numbers.. Children will apply their knowledge of multiplication and division by solving problems.

## Art

### Design and Architecture

We will be looking at different famous buildings and architecture from around the world.

## Computing

### Youtuber

Children will learn what it means to be a youtuber, the positives and negatives, safety tips and they will create their own video blog (vlog).

## RE

### Other Faiths - Judaism

#### Advent/ Christmas -

Loving - Hope

**Explore** - Waiting hopefully

**Reveal** - Advent is the Church's season of waiting in joyful hope for the coming of Jesus, the promised One.

**Respond**- Acquire the skills of assimilation, celebration and application of the above

## English

This half term will be reading "The man who walked between the towers" by Mordicai Gerstein.

Children will explore how a real-life story has been portrayed as fiction

Our second text is "King Kong" by Anthony Browne. Children will use the text to act as investigative journalists, at first discovering a large footprint has been found in the playground and then investigating the story and character of King Kong.

## Year Five Autumn 2

## PE

PE will be on Monday and Thursday afternoon. This half term children will be expanding their skills in Dance and Basketball.

## Science

In Science, the children will be learning about Earth and Space. Children will learn that the sun, moon and earth are spherical. We will know the names of planets and distinguish between heliocentric and geocentric ideas of planetary movement.

## History World War 1

Children will learn key facts about the "Great War" such as why the war started and who was involved. We will investigate rationing and evacuation and the Christmas truce.

## Music

Children will be learning about a famous composer called Joseph Bologne, Chevalier de Saint-George.
