## Nursery UTW (Natural world) – Living things – Animals

### What I should already know

- Nursery children can talk about what they see, hear and feel and **begin to use a wider vocabulary**.

### Working Scientifically

- ◆ Explore penguins and name different body parts
- ◆ Explore and name some other animals that like swimming in cold water
  - ⇒ seals, polar bears, whales, sharks, fish, walrus
- ◆ Explore some animal habitats linked to winter time
- ◆ Begin to develop an understanding of life cycles
  - ⇒ Name and match baby to adult farm animal
  - ⇒ Observing eggs hatching into ducks

### Vocabulary

Egg

Chick

Nest

Baby

Adult

### Sticky knowledge

Penguins have beaks, flippers and feathers.

Some animals live in cold habitats

Some animals hatch from eggs.
