Reception UTW (Natural World)–How things work

What I should already know

- ◆ Reception children should be able to identify and name main body parts.

Vocabulary

Bend

Extend

Stretch

Grasp

Taste

Smell

Think

Working Scientifically

- ◆ Explore, name and talk about different use / function of body parts
- ⇒ Elbows
- ⇒ Knee
- ⇒ Eyebrows

Sticky knowledge

Each part of the human body has a different function.

The human body needs food and water to work.
