

# St Luke's Knowledge Organiser

## Reception UTW (Natural World)–Light

### What I should already know

- The sun is a source of light.
- Electricity is a source of light.

### Working Scientifically

- ◆ Begin to develop an understanding of light.
- ⇒ Shadow
- ⇒ Heat
- ⇒ Electricity

### Sticky knowledge

Blocking a light source causes a shadow.

Fire can create a light source.

Electricity can create a light source in a variety of ways.

The moon reflects light from the sun.

We can see the moon because light from the sun bounces off it back to earth.
