

St Luke's Knowledge Organiser

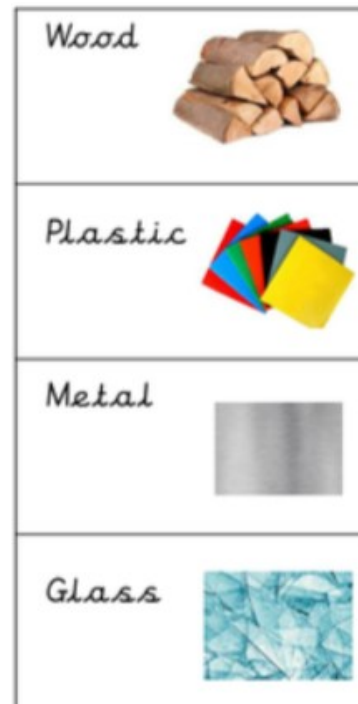

Reception UTW (Natural World) – Materials

What I should already know

- Children have begun to make sense of their physical world. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them.
- There are different types of materials and they can all have different textures.

Working Scientifically

- ◆ Use all their senses in hands on exploration of a range of materials extending curiosity
- ◆ Name a wider variety of materials
- ◆ Make more in depth comparisons between materials
- ◆ Talk about key features of different materials and their properties
 - ⇒ Wood -> Hard
 - ⇒ Paper -> Smooth
 - ⇒ Playdough -> Soft

Vocabulary

Wood

Plastic

Paper

Rubber

Glass

Metal

Sticky knowledge

There are many different types of materials.

Different materials have different textures.

Different materials have different uses.
