Paper play

Year 1

What I should already know

- The children have some knowledge of using and manipulating materials and objects to create a planned effect.
- Key questions and metacognition strategies will continue to be used to encourage pupils to recognise the factors that influence their own performance and the different approaches they can use for their learning. These will include setting goals, formative planning, monitoring and controlling learning and assessing the results and strategies used.

Sticky Knowledge

To Know that three dimensional art is called sculpture.

You can create a variety of shapes in paper, eg spiral, zig-zag.

Paper can change from 2D to 3D by folding, rolling and scrunching it.

Technical Knowledge and skills

- How to roll and fold paper
- How to cut shapes from paper and card.
- How to cut and glue paper to make 3D structures
- How to cut shapes from paper and card
