

*Class Bands*

Lesson	Objective/s
Pre-learn	Complete pre-learn. Look at new knowledge organiser.
Lesson 1	To explore ways to make and use vocal sounds and sing with expression in class singing. To begin to recognise and repeat simple rhythm patterns.
Lesson 2	To follow instructions about when to play and sing. To reinforce singing in tune, with expression and a sense of the character of the song.
Lesson 3	To explore different ways sounds can be made and changed loud/quiet, high/low. To respond to musical cues and follow instructions. To listen and move to music to keep steady beat.
Lesson 4	To begin to recognise, identify and copy rhythm patterns. To listen and move to music and demonstrate keeping a steady beat. To extend concentration when listening to music, responding and moving to different sounds.
Lesson 5	To choose sounds and using instruments in response to a stimulus. To sing songs in a group. To begin to identify and keep a steady beat.
Lesson 6 (Assessed Task) Post-learn	To be able to perform as part of an ensemble to an audience. Complete post-learn.
