

## Physical Education

### Games For Understanding

### Unit Purpose

The unit of work will challenge pupils to create simple **defending** and **attacking tactics**, while continuing to develop an understanding of the **transition** from defence to attack.

Pupils will apply these tactics as a team into games.

### Inspire Me

**Did you know...** on average an NBA basketball team will have 85 shots per game. This means that a team could be attacking 85 times, but also means they could be defending upto 85 times too!

## Key Success Criteria

- P** Pupils will move between attack and defence as the game changes. Pupils will be able to move in to space when attacking and tag the opposition when defending.
- C** Pupils will understand the consequences of breaking the rules and not applying tactics successfully. Pupils will understand the difference between attack and defense.
- S** Pupils will develop strong collaboration skills by working with their own team effectively and playing fairly against the opposition.
- W** Pupils will apply a competent understanding of honesty as they play by the rules and keep the score. Pupils will develop understanding of self discipline.

## Vocabulary for Learning

**Attacker:** We are considered an 'attacker' when we or our team are in possession of the ball or we are trying to avoid a defender to score a point. The aim of the game for the attackers is to score as many points as possible.

**Defender:** We are considered a 'defender' when we are not in possession of the ball or we are trying to tag an attacker. The aim of the game for the defenders is to prevent the opposition (attackers) from scoring.

**Space:** is an open area on the pitch that is unoccupied by a defender or the defending team. The attackers need to identify an open space to run into to avoid being tagged by a defender.

## Sport Specific Vocabulary

**Tactics:** Tactics are a carefully planned set of actions that are used by a team or an individual to attaining a certain goal.

**Transition:** is defined as the process of recognising and responding after losing or regaining possession.

**Team:** A team is a group of people who work together with the objective of achieving the same a goal.
