

What I should already know

- I can give examples of how technology is used to communicate beyond school.
- I understand that somethings online may upset me and that I cannot trust everyone online.
- I can use online services to communicate safely.
- I can use a search engine and I am aware that not everything I read online is true.
- I know the rules of using technology at home or in school.
- I can explain what personal information is and understand the need for passwords to protect it.
