

## Physical Education

### Problem Solving Year 4

### Unit Purpose

The unit of work will develop pupil's ability to apply effective **teamwork** through different problem-solving **challenges**. Throughout the unit, there will be a focus on pupils' ability to **apply** skills essential to working within a team as well as create effective **tactics**.

### Inspire Me

**Tom Brady** is the most successful American football quarterback of all time. Brady holds the record for the most yards passed. This means Brady has been able to communicate his tactics and where he is going to throw the ball to his team.

### Key Success Criteria

- P** Pupils will work within teams to find effective strategies and tactics in order to complete the different problem solving challenges successfully.
- C** Pupils will apply an ability to evaluate and improve strategies to solve the problems.
- S** Pupils will develop life skills such as trust and collaboration as they work effectively with their team mates to complete the challenges.
- W** Pupils will demonstrate leadership attributes as they take responsibility for their team members.

### Vocabulary for Learning

**Communication:** Is the method of transferring information from one person or a group to another. Types of communication include: verbal, nonverbal, written and visual.

**Tactics:** Tactics are a carefully planned set of actions that are used by a team or an individual to attaining a certain goal.

**Teamwork:** Teamwork is the combined effort of a group to achieve a goal or complete a task in the most effective and efficient way.

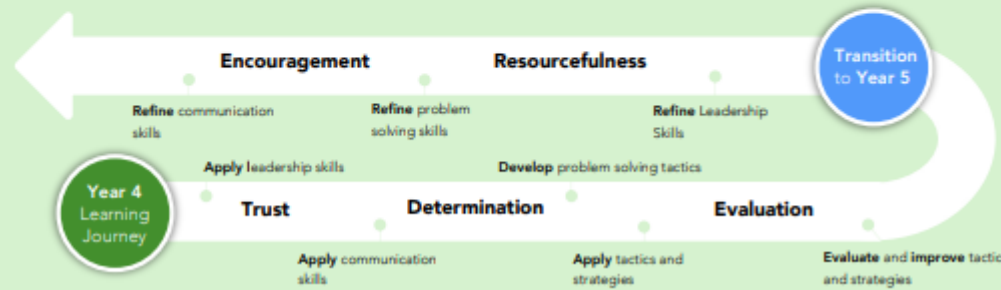

**Strategy:** is a planned set of actions that are used by a team or individual to achieve a long-term goal. We plan a strategy and then use specific tactics to help us achieve our goal.

### Sport Specific Vocabulary

**Non-verbal communication:** is a method of sending messages or signals without speaking. This includes actions such as making eye contact, using hand gestures or changing a body language or posture to communicate.

**Verbal communication** is a method of communicating using our voice. When communicating verbally it is important that our message is clear and precise so that our team members can understand.
