### Vocabulary for Learning

**Tactics:** Tactics are a carefully planned set of actions that are used by a team or an individual to attain a certain goal.

**Fielder:** A fielder is a defensive position that is occupied while the other team are batting. The aim of the fielding team (defending team) is to prevent the batter from scoring a rounder.

**Bowling:** is the action of propelling the ball towards the wicket defended by a batter, with the intention of getting the batter out or preventing them from scoring runs.

### Sport Specific Vocabulary

**Run Out:** A run out occurs when a batter running to a base fails to reach that particular base before the ball and is stumped or a batter overtakes another batter when running around the bases.

**Outfielder:** An outfielder is a player on the fielding team, not on a base or the backstop. An outfielder is responsible for catching and returning the ball to a base to prevent the batter from scoring a rounder.

**Umpire:** is an official who watches the game or match closely enforcing the rules and who is responsible for making sure that the game is played fairly.
