

Year 3 - Spring 2—Programming with Robots

What I should already know

I can write algorithms

I can create and debug simple programs

I can make accurate predictions about programs

Vocabulary

Robot

Algorithm

Program

Command

Loop

Sticky Knowledge and skills

- A specific type of robot is needed to do a specific job
- I can use a simple coding program to programme a robot
- I can use logical reasoning to correct errors in programs
- I can create with technology, e.g. video, animation and illustration
- I can use decomposition to
