

Year 4 - Spring 1– Endangered Animals

What I should already know

- I can create a storyboard
- I can use the internet as a communication tool
- I can use a search engine with advanced tools
- I am aware of some of the safety issues associated with the internet

Vocabulary

Social media

Artificial intelligence

Media / digital media

Audio

Sticky Knowledge and skills

Endangered means an animal that is at risk of disappearing forever. (becoming extinct)

I can use a search to find out information and search for images.

A habitat is the conditions an animal can live in.

The loss of suitable habitat is the biggest cause of extinction

I can use apps to create graphics

I can use a microphone and a video editing app to add music and narration to my work

Social media can be used to raise awareness of endangered animals
